**What are the legal requirements for all civil union ceremonies?**

The legal requirements are that:

- The civil union must be performed by a Civil Union Celebrant at the place(s) specified on the civil union licence;
- The civil union must be performed in the presence of at least two witnesses; and
- During the ceremony, and before at least two witnesses, each party must make a clear statement that names both parties and acknowledges that they are freely joining in a civil union with each other.
- Both parties and witnesses must sign the registration forms (Copy of Particulars of Civil Union)

Both parties must sign the registration forms using their pre-civil union signatures according to their names on the Civil Union Licence. For example, if one party is assuming the other's surname on civil union, that party must sign the registration forms using their usual signature.

Children may act as witnesses if they understand the importance of the part they take in the recording of the civil union and can demonstrate that understanding in court if later required to do so.

**What must the Civil Union Celebrant do at the civil union ceremony?**

The Civil Union Celebrant must officiate at the civil union ceremony. This includes:

- The formal identification of the parties named on the civil union licence (the celebrant must be satisfied that the persons about to be joined are in fact those named on the civil union licence);
- The exchange of the civil union statements;
- After both copies of the registration papers (Copy of Particulars of Civil Union) have been signed and witnessed, the Civil Union Celebrant must return the Registrars copy to the issuing Registry Office within 10 calendar days - the couple keep the other copy;
- The Civil Union Celebrant must take all reasonable steps to ensure the civil union is registered with Births, Deaths and Marriages.

Persons other than the Civil Union Celebrant may be involved in the ceremony by, for instance, reading a poem.

There should be no doubt in the eyes of the couple, witnesses and attendees that the civil union ceremony was performed by a Civil Union Celebrant.

**Registry Ceremonies**

Please be aware if you are considering having a registry ceremony that they are standardised to meet the legislative requirements of entering into a civil union, which includes standard civil union statements. There are limitations on the time the ceremony takes (usually 10 minutes), the space for guests and other persons may not generally be involved in the ceremony. Contact the Registry Office where you intend to enter into a civil union to discuss the arrangements. You may book a Registry Office ceremony at the same time as you give notice of your intended civil union and pay the fee.

**Parents**

**Legal parents:** Parties must include the details of their legal parents. If including details about same-sex parents, those must be the details of the party's adoptive parents, or the person's mother and her female spouse or partner where the circumstance in paragraph (b) of the following section ("Other parent") applies.

**Other parent:** If a child was born as a result of an assisted human reproduction procedure (such as artificial insemination):

(A) if the mother married, or entered into a civil union or de facto relationship with, a man who consented to the mother undergoing the procedure, that man's details should be entered as the Father.

(B) if the mother married, or entered into a civil union or de facto relationship with a woman who consented to the mother undergoing the procedure, the mother's partners details can be entered as either Mother or Other parent, as per her preference.

**Restrictions on civil union****Section 9: Partners not to be within prohibited degrees of civil union**

Two people who are within the prohibited degrees of civil union, as set out in Schedule 2, are prohibited from entering into a civil union with each other, except as provided in section 10.

**Section 10: Order dispensing with prohibition on civil union within prohibited degrees of affinity**

(1) Two people who are within the prohibited degrees of affinity, but who are not within the prohibited degrees of consanguinity, may apply to the Family Court for an order under this section.

(2) On an application under subsection (1), the court may make an order dispensing with the prohibition in section 9.

(3) The Registrar of any court where an order under this section is made must send a copy of the order to the Registrar-General.

**Schedule 2: Prohibited degrees of civil union**

(1) Person A and Person B are within the prohibited degrees of a civil union if person A is person B's-

(a) grandparent:	(h) grandparent's spouse or civil union partner:
(b) parent:	(i) parent's spouse or civil union partner:
(c) child:	(j) spouse's or civil union partner's parent:
(d) grandchild:	(k) spouse's or civil union partner's grandparent:
(e) sibling:	(l) spouse's or civil union partner's child:
(f) parent's sibling:	(m) child's spouse or civil union partner:
(g) sibling's child:	(n) grandchild's spouse or civil union partner:
	(o) spouse's or civil union partner's grandchild.

(2) The prohibited degrees of civil union apply whether the relationships described are by the whole blood or by the half blood.

(3) In this schedule, spouse and civil union partner includes a former spouse or former civil union partner, whether alive or deceased, and whether the marriage or civil union was terminated by death, dissolution, or otherwise.
